## **ENTERPRISE RULES**

## BY ACCEPTING PASSAGE AND/OR DIVING FROM THIS VESSEL YOU AGREE TO ABIDE BY THESE RULES

## PLEASE READ CAREFULLY

- 1. Only certified divers or students enrolled in classes being taught aboard the boat and diving with their instructors are permitted to dive.
- 2. Divers must dive within their level of training and experience.
- 3. All divers must adhere to the PADI Standard Safe Diving Practices Statement of Understanding (PADI form No. 10060, rev. 1/90), which is posted aboard the vessel.
- All divers are responsible for inspecting all the diving equipment they will use prior to using
  it. Each diver must take the responsibility for the suitability and reliability of all equipment
  used.
- 5. Enterprise, her master and crew provide passage to and from the dive site only. Unless you have specifically enrolled in a diving class they are not acting as instructors, dive supervisors or underwater guides.
- 6. No amount of illegal drugs is permitted on board. No one under the influence of drugs or alcohol is permitted on board. If you have prescription drugs you must carry the prescription with you.
- 7. No drinking of alcohol is permitted before diving.
- 8. No smoking is permitted in the enclosed portions of the boat. Smoking is permitted on the open deck only.
- 9. No glass containers are permitted on board.
- 10. Nothing of any kind is permitted to be thrown or discharged overboard. All garbage is to be deposited in the trash can in the pilot house. Liquids and waste from the head are stored in the holding tank for proper disposal at a shore pump-out station.
- 11. No one is to deface or remove anything from the wrecks or dive sites.
- 12. All crew and passengers are to make themselves familiar with the "Emergency Check-off List" posted on this vessel.
- 13. Before sailing, everyone must make themselves aware of the stowage location of the life preservers and other lifesaving equipment.
- 14. Before sailing, everyone must assure themselves that they understand the method of donning and adjusting the life preservers.
